The package includes your reception site, ceremony site, furnishings and admission for all of your guests. Wickham Park will also provide tables and white chairs, enough to accommodate up to 150 guests under the white tent. (Accommodations are available for over 150 guests). A tent heater and fireplace inside the cabin are available upon request for use in the spring or fall. Further, there are sidewalls and a connector tent so the group is sheltered in case of inclement weather.
